

RESUME

Full Name : **Osman Abdul Jawad**
Position / Job Title : GTAW/SMAW/GMAW
Present Location : Ghana, Tema
Date of Birth : 10th August, 1997
Nationality : Ghanaian
Cell : +233 540800773(Whatsapps and phone)
Email : osmanjaw21@gmail.com
Website : osm.weld.tub1 (TikTok/Instagram)

PROFILE BRIEF

- Quality focused with experience in pipe welding with over 7 years of high pressure systems. Proficient in various welding techniques and committed to maintaining safety and quality standards in all projects.
- Total years of experience as a GTAW/SMAW/GMAW (6G)=7 years

PROFESSIONAL EXPERIENCE (present job)

Start Date : 23-11-2025
Finish Date : Current
Position : GTAW/SMAW PIPE WELDER
Company Name : GUANGDONG POWER ENGINEERING CO.LTD(GPEC) OR (CEEC EPC)
Location : Saudi Arabia in Medinah and China
Company Types : CEEC EPC JV OF TAIBA2 1980 CCGT INDEPENDENT POWER PLANT PROJECT-KSA
Reason of Leaving: N/A
Company Website: <https://en.ceec.net>
Attendance : Full time

Duties and responsibilities

- Full Welding of ½ inch pipe up to 48 dia carbon and stainless steel ER 70S-6, ER 70S – 2, ER 308, ER 316, ER 309, ERNiCrMo-3, E 7018, E 6010 etc.
- Join, assemble, maintain, install and repair structural units and piping systems.
- Read and interpret blueprints and schematics
- Determine the required tools, materials and methods.
- Inspect and maintain supplies, materials, equipment, and tools.
- Observe safety regulations.

MATERIALS /Thicknesses/ Tools/ Equipment Used

- Carbon Steel, G.T.A.W. welding tools and equipment, grinder, pencil grinder, lights and complete (P.P.E) for welding.
- Pipe (1mm to 20 mm thickness).
- Carbon steel pipes (6mm to 25mm thickness).
- Stainless Pipes (1 to 20mm thickness).

What kind of welding process did you perform?

- G.T.A.W Carbon and stainless steel up to nickelchrome GTAW-SMAW COMBINATION

Products made/Repaired

- Fabrication to tanks and tank stands.
- Fabrication to air ducts.
- Pipe works (e.g. reducers, elbow, tee, cap, flanged and bends).

PROFESSIONAL EXPERIENCE (previous job)

Start Date : 2025
Finish Date : 12-11-2025
POSITION : GTAW/SMAW PIPE WELDER
Company Name : **SPIS-ATS GHANA**
Location : Kumasi – Ghana
Company Type : **SPIS- ENGINEERING**
Reason for Leaving :N/A
